

PARKLAND SCHOOL DISTRICT

Student Registration/Rapid Message System (rev. 8/18)

Parkland School District has a rapid calling phone/email/text message system in place that is designed to get in touch with families in the event of an emergency or school closure. The system can contact multiple contacts for each student in the District should an emergency arise. For morning weather delays (calls occur at about 5:30 AM) and event announcements, please note that we will use the system to call the one Primary Number only that you designate below.

Name of Student: _____ **Grade:** ____

Note: Only the "Primary" phone number will be called with all messages (morning weather delays, notification of events, etc.).

We will only send messages to the Primary number and the phone numbers listed below should an emergency arise or an unscheduled early dismissal occur.
